

The Red Cross Blood Bank Will be at Grayling High School November 11th

Mark your calendars you great Blood Donors and come to Grayling High School next Wednesday from 9 a.m. to 3 p.m. and give a pint of your precious blood to keep this wonderful life saving program alive and functioning.

Blood continues to be in short supply throughout the State because of the high unemployment which reduces the giving at plants and similar business operations.

Remember, this bank is from 9 a.m. until 3 p.m. at the High School instead of the usual Noon till 6 p.m. at the American Legion; and also, please, remember Dial-A-Ride will pick you up, take you to the High School to donate a pint of your blood, and take you back home, for FREE! Just call 348-5409.

Mandi Stillwagon and her crew of Hi School Red Crossers are determined to make this the biggest and best Blood Bank ever held at Grayling High! Please help her and her co-workers reach their goal!

Nuisance Ordinance Expected To Draw Large Crowd Again in Beaver Creek

Another large turnout of persons is expected at the Beaver Creek Township Board meeting next Monday to discuss possible revisions of a township nuisance ordinance.

The nuisance ordinance - which became effective September 1 - covers dangerous structures, old automobile parts, and other junk considered dangerous or a fire hazard on private property. Revisions may be made in the enforcement of the ordinance at the Monday meeting, but there will be no vote on the ordinance by township residents at the meeting as mistakenly reported in the Avalanche October 15 issue.

Approximately 140 Beaver Creek residents gathered at last month's board meeting to discuss the ordinance and proposed zoning laws. Township Supervisor Cletis Spears said enforcement of the nuisance ordinance will not be carried out prior to Monday's meeting and the discussion of the enforcement revisions.

County Campgrounds Await Budget Decisions

Following a \$325,000 cut by Governor Millikin into state forest campground monies, area DNR officials are waiting to see what effect it will have on 12 campgrounds in Crawford County. DNR Forester Charles Bomaster from the region II Roscommon office said there will be no final determination on state campgrounds until probably in December when DNR administration figures out what the budget will be. Not only are budget cuts threatening the closure of the 12 river and lake state campgrounds in the county, but Bomaster said the honor system of paying at the campgrounds isn't working well.

The snowmobile trails maintenance program in the county is also threatened by a 50-percent cut in funds from last year. A decision on the snowmobile trails programs will also probably be made in December.

DNR Buying Jack Pine Cones

The DNR needs jack pine cones to replant areas hard hit by the jack pine budworm. Each bushel of good jack pine cones will be bought for \$16 at three area DNR field offices, the Grayling field office, 348-6371, Roscommon field office, 275-5151, and the Houghton Lake field office, 422-5522.

Persons interested in picking jack pine cones should stop at one of the field offices to obtain maps of areas okayed for picking pine cones. Examples of the jack pine cones the DNR wants will also be on hand. Brown and closed cones - last year's crop - are needed. Old opened cones aren't any good for the DNR's reseeded project.

Hours at the field offices are 8-5 Monday through Friday. A thousand bushels will be bought throughout northern Michigan.

Rotary Club Plans Minstrel Show

The Grayling Rotary Club Minstrel Show this year will feature a new local dixieland band.

The club was treated at their meeting last week to a preview performance of the Original AuSable Dixieland Band under the direction of Howard Taylor.

Band members include Tim Taylor, Rusty Gates, John Duley, George Morse and Dr. Jim Hough.

A big advantage to having a local band is their ability to practice regularly with the chorus, according to Howard Taylor. He pointed out that with the talent available locally, it is really unnecessary to go downstate for good musicians.

The Minstrel Show will be presented on Dec. 3 and 4.

Westland Man Injured In I-75 Crash

A 30-year-old Westland man was seriously injured Sunday, October 25, when his van went off the entrance ramp for I-75 at the south end of Grayling. Michael Burden was taken to Mercy Hospital and was listed in stable condition. Grayling City Police said his van was traveling southbound when it went out of control and struck a guardrail rolling over several times.

Two Burglars Nabbed In Grayling

Grayling City Police, assisted by Crawford County Sheriff deputies, caught two men allegedly stealing light fixtures from a hallway in the Grayling Holiday Inn Thursday night. A 26-year-old Grand Blanc man and a 38-year-old Prudenville man were spotted by an employee taking the light fixtures.

Dog Licenses Now Available

The 1982 dog licenses are available now. If you are going south for the winter, etc. this will allow you to purchase a license before you leave.

The price is \$3.00 for males or unsexed dogs. \$5.00 for females. After March 1st these prices will double.

To purchase a license it is necessary to have a valid Rabies vaccination certificate for the dog. Licenses are available from the County Treasurer, Joe Wakeley, the Animal Control Officer, Marge Mathews, the Beaver Creek Township Treasurer, Lovells Twp. Treasurer, South Branch Twp. Treasurer, and Frederic Twp. Treasurer.

You may also purchase a license by mail by sending proof of rabies and a check to the Crawford County Treasurer.

SALLING LAKE—Salling Lake, the backwaters of the AuSable River behind Salling Dam (right center of picture), as viewed in a 1951 aerial photograph taken by Dr. Len Allison of Grayling.

Legal Water Levels May Be Established For Salling Lake

By Jon Thompson

Legal water levels may be set for Salling Lake as part of the process to pay for repairs for Salling Dam.

A petition is being distributed to property owners around Salling Lake - ac-

tually backwaters of the AuSable River behind Salling Dam - to request the Crawford County Board of Commissioners to set legal water levels for Salling Lake. Once legal levels have been established, a special

assessment district can be formed to pay for repairs and maintenance to the dam. Two-thirds of the property owners must sign the petition for commissioners to set levels.

A 1980 U.S. Corps of Army Engineers study indicated the dam was in need of several repairs. A preliminary report by a private engineering firm from Traverse City estimated the total cost of repairing the dam at \$25,000. That includes an estimated \$16,000 worth of studies and only \$3,400 in actual repairs to the dam.

A Grayling Township official said it is ridiculous that an estimated \$25,000 has to be spent to make \$3,400 worth of repairs but that is how the system works.

The estimated \$25,000 includes \$4,000 for preliminary evaluations, public hearings on setting the water levels, and legal and court proceedings for establishing the legal levels. Hydrological studies and determining the special assessment district boundaries will cost an estimated \$13,000 and engineering plans for repairing the dam \$3,000. Repairs to the dam are estimated at \$3,400 and a 25 percent allowance for engineering and repair costs add \$1,600 to make a neat total bill of \$25,000.

The preliminary report said if the \$25,000 was spread equally to approximately 65 property owners within the special assessment district over ten years, the extra taxes would amount to \$38.50. See Salling on Page 2

New Alliance Answer Line

The New Alliance for Education is based on a philosophy that one-to-one communication about school system facts and community needs can combine to promote quality schools and a growing, prosperous community. To help reach this goal, the "Answer Line" will research your questions and provide accurate, complete answers. This week's questions were drawn from our committee to begin our column; if you would like a question answered in next

week's column, send it to "Answer Line", Rt. 1, Box 2348, Grayling.

1. Why did your committee work for another election when the results of the last two elections clearly showed that no one wants higher taxes? Why do you think you can win?

Randy Thompson, Chairman of the New Alliance, states that even though the defeat of the millage election in August was decisive, no one seems happy with the results. The community is complaining loudly about class sizes, closing the Frederic school, and cut programs. The fact that we got 800 plus signatures in 9 days indicated passing a millage is possible. Also, only 2500 voted out of 8000 registered voters. Our

Kiwanians Honor George Spencer

PICTURED WITH Rev. George Spencer displaying his Flowers to the Living award are left, Jim Abney and Richard Rasmussen.

George Spencer, local Kiwanian, was presented the "Flowers to the Living" Award by the Grayling Kiwanis Club on Monday evening, October 26, 1981. The dinner meeting, held at the Chief Shoppenagons Motor Hotel, was a ladies night and is held annually by the club.

Spencer, a member of the local club for 5 years, is pastor of the United Methodist Michelson Memorial Church, coming here from Monroe. He had originally joined Kiwanis while living in Monroe.

"Flowers to the Living" is given to a Kiwanian in recognition of his outstanding work not only in Kiwanis but to his vocation and to his community involvement. It was initiated many years

ago by a Kiwanian, Forney W. Clement, who believed that people should receive their "flowers" while they were able to enjoy them.

Spencer received his plaque from master of ceremonies, Robert Bovee, who introduced the recipient and gave highlights of his life.

Jim Abney of Osceola, lieutenant governor of Division 18 of the Michigan District of Kiwanis, was guest speaker and inducted the new officers of the club. Mrs. Abney was a guest, also.

The meeting was presided over by the new president, Richard Rasmussen. Attending the dinner meeting with Rev. Spencer was his wife, Sharon, and his two daughters, Martha Spencer and Brenda Spencer, both of Grayling.

Dial-A-Ride Continues Steady Annual Growth

By Jack Mason

Dial-A-Ride continued its steady annual growth in fiscal 1981, according to Chet Johnston, Crawford County Transportation Coordinator. The unaudited figures for October 1, 1980 through September 30, 1981 show the service carrying 102,369 riders over a total of 361,909 miles. "The final totals after audit should be slightly higher, due to totals of drivers leaving us before April 1 not being indicated," added Johnston. "Public confidence and awareness of the value of our system is dramatically demonstrated when we consider that during the same period last year 75,019 passengers rode 262,525 miles."

Johnston stressed that as rosy as these figures appear, dark clouds are on the horizon. "Rider fares cover just a part of our income. The major amount is derived from Federal and State subsidy."

"We have already been notified that these funds are scheduled for drastic cuts or elimination in less than a

year. In fact, we are beginning to feel some reductions already. And operating costs are still rising. Right now we are hoping and working for passage of the Comprehensive Transportation Package recently introduced in the State Legislature. If, and when, it is enacted our subsidy problems would be greatly reduced. But that could be a long way off," Johnston stated.

He added that the Transit Authority is already working on contingency plans to maintain maximum service to all at a minimum cost. "We know this won't be easy, but we'll do it somehow." Leaning back in his chair he mused, "I just wish those people in Washington and Lansing really know what we do for County residents, and how badly needed our service is."

A slow down in the Service should be kept in mind by riders this winter, especially after a snow storm. "Right now we do not plan on doing any plowing of county roads after 3:30 p.m. or on week-ends. Naturally, should we

have a major storm, we would reconsider," said John Keir of the Crawford County Road Commission.

On an annual average, each driver carried 6,022 passengers over 21,289 miles. "But look at the figures this way," emphasized Johnston, "That means on an average we drove 3.5 miles for each passenger carried. Economically, this just doesn't make sense. When the subsidy axe falls hard, we're going to have to drastically change these figures. The alternative is an impossible rate structure or going out of business."

When asked about plans being considered, Johnston said, "Many, one of which is a regularly-scheduled bus route system based on statistics we have gathered over six years of operation."

He concluded, "The people here and I are very optimistic about the future because our community needs, uses and supports a valued service as it has in the past and will in the future."

Concerned Citizens Group Oppose Millage Request

By Jon Thompson

The Concerned Citizens of Crawford County - an education group claiming more than 215 members - have vowed to campaign against the December 10th millage election request and future additional millage requests until all the students in the district receive a good quality and equal education.

The group will oppose the millage request because they question the school district's handling of finances. Clem Sajdak, President of the C.C.C.C., says although the old Frederic school

district pays in about \$1,195,000 in taxes, school administrators didn't have \$123,000 to keep the Frederic Elementary School open.

"Residents in Lovells are paying about \$15,000 each for the 30 students they send to Crawford AuSable schools," Sajdak said. "That's enough to send a student to college."

Sajdak also said many residents in the northern part of the school district are upset because when they voted for the renewal millage last June they thought they were voting to keep four schools open - not three. The C.C.C.C. feels this along with not honoring an old verbal agreement to keep Frederic school open and other things have given the school board a credibility rating of 0 on a scale of one to ten. Sajdak says many people even feel the board is antagonizing them by placing a bus stop in front of a fire hall lane in Frederic instead of the elementary school.

The C.C.C.C. also questions giving the teachers of the school district a five percent raise

Notice - County offices phone number effective November 12, 1981, will be 348-2841.

and spending money for the district's central office.

"The residents here have had to sacrifice in these hard times and now they're asking the schools to do the same," Sajdak said. "Why did the teachers have to have a five percent raise now? In a business, if you have a good year and there's money left over at the end of the year, then you hand out raises. If you have a bad year and there is no money

Beaver Creek Man Charged With Felonious Assault

A 43-year-old Beaver Creek Township man was charged with felonious assault following a five-day investigation by the Crawford County Sheriff Department. The man was arrested on a warrant stemming from an incident Sunday, October 25, about 1 a.m.

In other county police news, Sheriff Department Detective Chuck Haas along with deputy William Heemer recovered 15 stolen art works valued at \$1,000. Mounted ducks, birds, a bear cub, and a nine-point buck were stolen from a Lovells Township cabin owned by Gary Hopp, a taxidermy hobbyist, in September, 1980. Some of the loot was

recovered from Michigan State University six months ago from a student's room. The rest of the art pieces were recovered last week.

The Sheriff's Department also recovered a handgun stolen last Saturday from a pick-up truck at 430 County Road in Grayling Township.

The Sheriff Department handled 75 complaints last week and made two D.U.I.I. arrests, one felonious assault arrest, one larceny over \$100 arrest, and arrested an alleged intoxicated person.

Mr. Howard D. Madsen

Dear Mr. Madsen:
Since Mrs. Church and myself with other Church Family relatives were in Grayling for the June wedding of Anne Marie, Jack and Ernestine's daughter, we have subscribed to your newspaper.

Each week we peruse everything with great interest and are impressed with its excellence.

We send you issues of newspapers from our general area of Northern Virginia, in the metropolitan area of Washington, D.C.

Since the loss of one of the big dailies, the gap is being filled by more frequent publication of what originally were largely shopping news sheets.

President. "We are supporting 31 agencies serving our community such as Boy and Girl Scouts, Crawford-Ausable Day Care Center, Youth Service Bureau, Sibs for Kids, 4-H, and 24 State & National Agencies like the Michigan Heart Association, U.S.O., Multiple Sclerosis Society, Children's Leukemia Foundation, Association for Retarded Citizens, Cancer Research-Jackson Laboratory, Arthritis Foundation, Kidney Foundation, Leader Dogs for the Blind, and many more. The State & National Agencies funded through United Way of Michigan, assisted over 350 Crawford County residents at a cost of over \$7,000. dollars last year. Over 581 youth are actively involved in these agencies, plus family counseling through Community, Family & Children Services and Child & Family Services of Michigan along with adoption services."

"No contribution is too small, they all add up to the total and it helps everyone in Crawford County."

Contributions can be mailed to P.O. Box 408, Grayling or dropped off at the Grayling Chamber of Commerce Office.

Campaign volunteers are happy they can support so many agencies through this one annual campaign that helps so many. We would like to see much more money, but we're not disappointed - this is only our first attempt in Crawford County.

Remember, thanks to you it's working in Crawford County...the United Way.

left over, how can you hand out raises?"

Sajdak said most people view the central office, "The White House," as a bureaucratic monument and it is in the best interest of the district to get rid of it.

"There's room in the schools for offices. It has to cost more money to heat the White House and maintain it."

Besides opposing the December 10th millage, the C.C.C.C. group is also working with Senator Mitch Irwin and Representative Ralph Ostling to help pass House Bill 4071 which would set a limit of children school busses can carry. The group feels the bill will help alleviate the overcrowding on school busses which has peaked this year because of budget cuts.

Answers

(Continued From Page 1)

petition canvassing showed that many who did not vote are now concerned enough, in light of Grayling, Alpena and Taylor school problems, to vote yes.

2. If a millage passes, will our Frederic schools definitely open? When?

Dr. Diedrich responded to this at the Oct. 26 special school board meeting by saying that should the millage pass Dec. 10, Frederic school will open as soon as possible after Christmas vacation. The Middle School and High School program restoration would begin with the new semester in January. Diedrich said that the Frederic school must be opened to decrease class sizes in the other schools.

3. What will the 3.75 mills cover, should the millage pass? How was 3.75 mills decided upon?

The School Board and the New Alliance agreed that 3.75 mills would restore the items most directly affecting education: those which would provide the highest quality education for the least money. These were items from proposition 1 and 2 of August's millage election. These include reinstating 20 laid-off teachers to reduce class size and restore curricular programs, restore full library service at all four schools, restore full textbook and supply purchases, and restore full audio-visual and full health services at all four schools. This would also restore other cut programs, 2 mills for athletic programs and .27 mills for restoring secretarial hours, teacher aides and custodial hours. This is a publicly made commitment and the money cannot be spent for anything else.

Conference on Social Security at Gaylord on Nov. 6th

GAYLORD, MICH.—Senior citizens throughout Northern Michigan are invited to attend a special "Conference on Social Security" to be held Friday, November 6, at Gaylord, according to Congressman Bob Davis.

Davis, who will address the conference, will be joined by Ms. Marlene Moleski, Acting Commissioner for the Social Security Regional Office in Chicago, and a member of Social Security caseworkers who can help senior citizens with specific problems.

Sponsoring the conference are the Gaylord Diocesan Council on Aging, Central

Michigan University, Area Agencies on Aging Regions 9 and 10, Northern Michigan Health Systems, the Northern Michigan Substance Abuse Agency and Trio County Council on Aging.

"Senior citizens are concerned about the future of Social Security and our purpose will be to provide them with objective information about the system, help them with individual problems and give them an opportunity to express their concerns to officials responsible for Social Security," Davis said.

The program will be from

1 p.m. to 4 p.m., Nov. 6, at the new Alpine-Alten-Zimmer Senior Citizen on Grand View Blvd. in Gaylord. For information, call 517-732-3605.

Davis said the conference will give seniors specific information on the status of Social Security for those concerned with the future of the system. For those with individual problems, a number of Social Security caseworkers will be on hand to assist seniors. Davis said he hopes seniors also will feel free to express their opinions on Social Security in general.

Sen. Levins' Aide Here Nov. 5

A member of my staff will be conducting constituent service hours on my behalf at the following time and place: 9:30 to 10:30 a.m., Courthouse, Grayling, November 5.

I hope that you will take the time to stop by and talk to members of my staff if you would like to make your views known, or if you have a problem involving an agency of the federal government.

If you are unable to attend my Northern Michigan Regional Office is located at 106 Water Street, Alpena, Michigan 49707. The telephone number is (517) 356-6122.

Sen. Irwin's Aide Here Nov. 13th

State Senator Mitch Irwin's District Representative, Greg T. Long, will be in Crawford, Alpena, Presque Isle, Montmorency, Cheboygan, and Otsego counties the week of November 9, holding office hours and meeting with local citizens to discuss problems, cut red tape, and bring state government closer to the people of the 37th Senatorial District.

You are welcome to stop by and take a few minutes to talk with Mr. Long if you would like to make your views known or if you have a problem involving an agency of the state government. No appointment is necessary.

Mr. Long's schedule will have him in Grayling November 13, Friday, 12:00 noon to 1:00 p.m.-lunch at Crawford County Senior Citizens Center, 1:00 to 2:00 p.m.-Crawford County Building - office hours, 3:00 p.m. to 4:00 p.m. - Otsego County Building - office hours.

Chris Clover's Corner

By Sue Louchart

Hi! I'm Chris Clover here with news from the Crawford County 4-H Clubs.

Have any of you been driving or walking down Ogema Street Wednesdays after school? There are many happy sounds coming from the Workshop back of Bob Weiman's house. The boys and girls in the 4-H Woodworking Shop are sure learning a lot from his experiences. Bob was a 4-H member as a youngster and is now sharing his knowledge with the youngsters in Crawford County.

The members have been making sanding blocks and bench hooks to learn the basic skills needed in wood-working. After completing these successfully they may start a project of their own choosing to work on with Bob's guidance.

Bob has been restricted some I have been told by a cast but it hasn't held him down much with helping the 4-H'ers. It sure is nice to have leaders who enjoy working with our youth so much that their limitations don't stop the learning. Nice going Bob and 4-H'ers. Keep the saws and hammers and sandpaper flying in your hands!

The Performing Arts Club meeting at the Michelson Memorial United Methodist Church on Tuesday from 6:30 to 8 p.m. is growing. The members are busy practicing songs for Christmas and learning pom-pom routines. Their next meeting will be Nov. 10th as they meet every other week. This club is for boys and girls ages 8 through 13. Sounds like lots of fun!

Attention Senior Citizens in Frederic Area

November 6th is our regular satellite and this is also the day that Congressman, Bob Davis and a number of government officials are holding a Social Security Seminar in Gaylord at the new Senior Citizen Housing Complex.

In order for us to "kill two birds with one stone", as they say, we will serve the dinner at 11:30 a.m. at the Sportsman's Club and have blood pressures, then instead of a program in Frederic the bus will take us to Gaylord to hear Congressman Davis.

Please call in your reservations for dinner and tell us you will also go to Gaylord. Do you realize that we (the Center) presently serve 1,897 Senior Citizens in at least one program or another? That is 31 more seniors than students in our district school system. That's a lot of Senior Citizens and I'm sure there are many who live here who do not take part or receive services from the Center. You are an important part of society.

You have Senior Clout, be sure and attend the November 6th meeting. The bus will leave Frederic at 12:20 p.m.

R & H Wins Petoskey Tourney

After six years of coming close, R & H Sport Shop softball team took the Petoskey Slow-Pitch Softball Tournament last summer.

R & H took the tournament with a come-from-behind effort, having to win two in a row from D & D of Wolverine in the finals. R & H squeaked by D & D 10-9 in the first with a three-run home run by Scott Rich in the bottom of the seventh. It was Rich's second home run of the game.

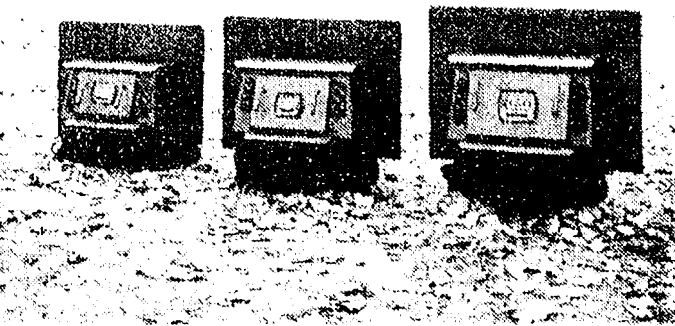

In the final game, R & H jumped all over D & D with seven runs in the first two innings. They went on the title with come winning 18-7. Dan Hutchinsons, Will Roach, and Dave Bailey homered for R & H in the final.

R & H players in the tournament were Rich, Hutchinsons, Roach, Darrel Metzger, Bill Skoninski, Dale Metzger, Barry Ewing, Tom Selon, Bill Selon, Bruce Burkett, Wayne Metzger, and the manager was Ron Metzger. Taking Most Valuable Player award for the tournament was Bill Selon, Rich was the home run leader, and Skoninski the top outfielder. (Story courtesy of Petoskey Evening News)

From Our Corner ...

How about this Indian summer folks...we had just about given up a couple weeks ago when we received about 3 inches of snow over night...now maybe this will last right up to deer hunting season, rifle that is, from what we hear we can use this nice weather now, hearing that we are in for a cold and snowy winter when it decides to hit us...

It must be getting close to election year again from the looks of our mail announcing candidacies all over the place...we were in Traverse City over the weekend and while there we heard over the radio that they had had something like a \$500 dollar a plate dinner for former Senator Robert Griffin, the proceeds were to go to help on the debt Sen. Griffin had in the 1978 election...possibly he will try to run again, we haven't received any literature on it...former Congressman Phil Ruppe has announced his candidacy for Senator the seat that Senator Carl Levin holds down now...Griffin upset the GOP apple cart in 1978 when he announced he was retiring whereby Ruppe said he would seek the senatorship...Griffin retracted his decision leaving Ruppe out in the cold while Robert Davis ran for Congress and won...not so for the senatorship...Carl Levin won easily on the Democratic ticket...so now it is time to get the track shoes on for the upcoming election in 1982 for Governor and Lt. Governor and Legislative seats...by the way Senator Percy of Illinois and Lt. Governor Brickley were in attendance for the party for Griffin...exposure is the name of the game in the political world...

From the Las Vegas Sun...You know you're in trouble when...you take an ASSERTIVENESS TRAINING course and you're afraid to tell your wife...

This has to go down as one of the more quiet Halloween nights from reports, we were in T.C. and even there it was quiet even as big as T.C. is...reports there was that Devil's Night was worse than Halloween...in destructive doings...

This is a Public Service Announcement From Our Corner...the central telephone system for the County Building will be in operation on November 12th...to reach any office, except the Sheriff's Department, the number to call will be 348-2841, that will connect you to the switch board, then you request the office you want...the Sheriff's Department number remains the same...348-6341, jot the numbers down where they will be handy when the need comes for use...

We have been remiss the last couple weeks, so before we go any further we will have to figure out how we can get this characters name in our column before he takes drastic actions against us...Michael Delp, teacher at the high school and for the last few years was instructor for the GOAL program before it was cut due to austerity program at the schools...Buzz has toiled for us on several occasions...recently during the summer when we needed help, but he goes deeper in the field of printers ink in your veins...Buzz, our handle for Mike, toiled with LeRoy and I during the hot lead days during the summer which included when we put out a 24 page centennial paper with the linotype and ludlow to set all the type...it was a task at the time...but Buzz got the ink in his veins as he still drops in a couple days a week to try to give us the business...now we can sleep tonight, Buzz has no complaints the next time we meet...

This takes care of this week's turkey...heading for the wagon shed, so goodnight T.J., Stef and Amber, and to all our readers have a nice weekend, hope for a weekend like this last one...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago November 6, 1958

A gala round of events lasting over one month are being planned by the Grayling merchants for a pre-Christmas promotion this year following the laying out of a program by the Retail Round Table Association last Wednesday.

Guests of Dr. and Mrs. B.E. Henig week-end before last were Dr. and Mrs. P.J. Huber of Detroit.

Dane Madsen, son of Mr. and Mrs. Whitey Madsen was ten years old October 29th. To celebrate the event twelve boys from Dane's class were invited over for a party after school. They played games, including bingo and bobbing for apples, and several prizes were awarded. Afterwards there were hot dogs, ice cream and traditional birthday cake, which disappeared in quantity.

Miss Jeanette Henig entertained with a Halloween costume party at her home Saturday evening, at which there were sixteen boys and girls assisting her to make merry. A treasure hunt was one of the highlights of the evening. Acting out a skit representative of each costume was another form of entertainment, and there were also movies taken by Jeanette's father. Party food was also an essential part of a delightful evening. Each child received a favor, and all had a wonderful time.

Mr. and Mrs. Tom Gibbons of Big Rapids visited her parents, the Don Weavers, weekend before last.

Miss Nancy Knibbs and Miss Marilyn Joseph entertained with a masquerade party at the Knibbs home Friday evening, at which some twenty-two youngsters enjoyed the chills and thrills of a witches' den, a gypsy fortuneteller and similar Halloween activities.

Mr. and Mrs. Fred Bear left Monday for a few days pheasant hunting on the Steilson Ferris farm near Owosso.

Mr. and Mrs. Robert Wakeley had a 7 lb. 2 oz. daughter, Denanna Joyce, born November 2, Mr. and Mrs. Barton Wakeley and Mr. and Mrs. Al Eichinger of Bay City are her grandparents.

Mrs. Kenneth Allen and son Fred spent the weekend in Big Rapids with son Dale and family.

Mr. and Mrs. Vern Hartman enjoyed a fishing trip to the Sault, Tuesday.

Mr. and Mrs. R.E. Houck of Ames, Iowa, left last Thursday after visiting their daughter and family. Mr. and Mrs. Richard DuBois and sons, for six days.

Mr. and Mrs. John Ludeman held open house Tuesday afternoon of last week, to celebrate their twenty-fifth wedding anniversary. Most of the neighborhood folks dropped in to call and wish them many happy returns of the day.

Mrs. Opal Hamblin, accompanied by her mother Mrs. Bert Plagens, spent a few days in Flint, guests of Frances Hebel and Kathleen Anderson.

Attorney Charles E. Moore and family were in Petoskey on business Sunday.

and children returned the last of the week from St. Helen, where they had been visiting for some time with Mr. Thompson.

Mr. and Mrs. John Brady spent the weekend visiting Mr. and Mrs. Richard Bartlett, at St. Ignace.

Mr. and Mrs. Clarence Gross and daughter Sally and Miss Dorothy Swanson spent Sunday visiting Mrs. Stewart Rutledge at Roscommon.

Mrs. Don Reynolds entertained eight little friends of her son Junior at a Halloween party Thursday afternoon at her home. The afternoon was spent playing games and Mrs. Reynolds served a nice lunch. The little tots were very much pleased over Halloween horns which were given as favors.

Llwyn Doremire, of Camp Wa-Wa-Sum, is the brand-new night waiter at Lovely's Restaurant and is competing with Floyd Loskos who is holding down a similar position at the Plaza Grill.

John LaMotte, of Beaver Creek, is having a new cabin erected on his property on US-27, getting ready for the hunting season.

Miss Irene Randolph, who had been employed at the Grayling Bakery, has accepted a position as bookkeeper for Schweitzer & Wilson, beginning her duties Monday.

Chief Hogsett and Charlie Gehringer of the Detroit Tigers stopped off in Grayling Wednesday. While at Schoonover's garage Fuzzy Reynolds got both Tiger stars to give him their autographs. They were returning from a hunting trip in the north.

Mrs. Liland Smock and sons, Donald and Howard, and Jack McClain, spent Tuesday in Cadillac.

November 7, 1912

Minnie Love supplied in the fourth grade Monday during the absence of Miss Irving.

A.C. Olson and Harold Rasmussen together brought in a deer the first of the week. Also Frank Milks and George Miesler were lucky to bag a nice deer.

Will Herie went to Boyne City last week, where he intends to work and will also play in the band there under his former bandmaster, E.G. Clark.

Miss Zina Smith gave a very nice Halloween party at the home of her mother, Mrs. J. Bobenmoyer last Thursday evening.

The many friends of Mrs. John K. Hanson gathered at her home Saturday afternoon and evening to extend congratulations and good wishes upon the anniversary of her birth. Mr. and Mrs. Hanson are always very hospitable and this occasion was as usual a very pleasant one.

A number of residences have been built in Grayling during the past summer and we wish to compliment Grant Shaw on the fine home he has built for himself and family on Michigan Avenue.

Miss Fern Hanna was the guest of Claire Parker at Forest View Farm over Sunday.

Messrs. Barnes, Amidon and Floeter were callers at Lovells the latter part of the week.

From Calvary Baptist Church

JUSTIFICATION EXPLAINED

Part 2 Romans 3:25-27

Justification is often remembered by the words, "just-as-if-I-never-sinned." This can remind us of the first half of the work. Jesus Christ took our sins in His own body on the cross and paid the full penalty of death for our sins. But the second half of Justification is the righteousness of the life of Jesus Christ charged to our account. Therefore, when we are justified, God the Father does not see our sins, but instead the shed blood of Jesus Christ to pay our sin debt. On the other side, He does not see our failures in righteousness, but instead the perfect righteous life of His only begotten Son lived for us.

1. The price for our justification. "Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God." Verse 25. Our justification cost God the very life of His Son. No higher price has ever been paid in all the universe for any other creature. The word "propitiation" means appeasing someone who is angry, often by a gift. The propitiation of our Lord Jesus Christ was Christ shedding His precious blood to satisfy the breaking of God's Holy Law by our sin. The blood of our Lord Jesus Christ became the price of our justification.

2. The justice of our justification. "To declare, I say, at this time his righteous-

ness: that he might be just, and the justifier of him which believeth in Jesus." Verse 26. A Holy God cannot excuse a single sin. Not a single sin will enter Heaven. For God to remain just, He had to fulfill the righteous demands of His Holy Law which demanded death for disobedience. Our Lord Jesus Christ took our place and died on the cross to meet the righteous demands of God's Holy Law. Now God can still be just and still justify those who exercise saving faith in our Lord Jesus Christ.

3. The credit for our justification. "Where is boasting then? It is excluded. By what law? of works? Nay: but by the law of faith." Verse 27. Justification is all of God and none of man. Our boasting is all in Jesus Christ and none in our own works. Any person who thinks he or she must do more than fully trust the finished work of Jesus Christ to get to Heaven, may be in danger of Hell. To make any human works necessary for eternal salvation is to belittle the value of the shed blood of Jesus Christ. As the old Hymn says, "What can wash away my sins," nothing but the Blood of Jesus. What can make me whole again, nothing but the Blood of Jesus." (adv.)

EMTA Elects Eight New Directors

The East Michigan Tourist Association elected eight new businessmen and women to its 25 person board of directors at its convention Oct. 28-29, in Grayling.

Nearly 300 members and guests attended the two-day convention held at Grayling's Holiday Inn.

New board members included Edward Carey, Higgins Lake resort operator; Bruce Huston, Lewiston realtor; John Kurtz of West Branch, gasline and restaurant manager; Dick Martens, Alpena motel innkeeper; Tom Otley, Consumers Power Company manager from Bay City; Helen Slowinski, motel operator from Tawas City; Richard Somalski of Essexville, a landscape service operator; and Birch Run motel manager Elaine Williams.

The EMTA board of Directors meets quarterly in directing the operations of the 71-year old tourist group headquartered in Bay City.

EMTA membership at their convention adopted the largest budget in its history, \$333,000. The program will feature an advertising blitz of the northwestern Ohio market area, PBS television support in the midwest, publicity of events and festivals throughout the year, working at seven mid-west travel shows and printing of over 350,000 pieces of literature.

The EMTA promotion objective is to contact 200,000 potential travel units (families and individuals) with a direct message to travel and vacation in the 26-county East Michigan region.

Notice — County offices phone number effective November 12, 1981, will be 348-2841.

Alumni Assn. Elects Officers

Few Traffic Problems, Large Deer Population Await Hunters Nov. 15

Deer hunters heading north for the Nov. 15 opening of Michigan's firearm deer season should find few traffic problems and the largest deer herd in more than 30 years, according to the Automobile Club of Michigan.

"This season opens on a Sunday for the first time since 1970, and the bulk of hunter traffic should be spread over Friday and Saturday (Nov. 13 and 14)," stated James Drury, Auto Club Travel Operations manager.

More than 700,000 hunters should take to the woods over the 15-day season. Last year, a record 727,000 hunters purchased firearm deer licenses.

"There should be an increasing number of hunters in southern Michigan due to a growing deer herd in that section of the state," Drury said. "However, two-thirds of the hunters will travel into

the northern Lower and Upper peninsulas."

Hunters should find the largest deer herd since at least 1951 because of two consecutive mild winters, excellent fawn survival rates and bountiful acorn crops, one of a deer's chief foods.

Department of Natural Resources officials report firearm hunters should take a minimum of 100,000 bucks and 50,000 does over the season, up 20 percent from last year.

"Barring bad weather, traffic problems should be minimal for northbound hunters," Drury said. "The only problem area in the state should be along I-75 near Saginaw, where three lanes of traffic must merge into two at the Zilwaukee draw-bridge."

To reduce the possibility of jams caused by openings of

the bridge, Saginaw River shippers have been asked to restrict river travel during peak traffic periods Nov. 13-17.

Auto Club predicts that heaviest northbound flow should occur between 3 and 11 p.m. Friday and 8 a.m. to 6 p.m. Saturday. Many hunters are expected to stay in northern Michigan until Tuesday or longer, but southbound traffic on major travel routes should be heavy between 3 and 11 p.m. on Sunday.

While rising travel costs have resulted in a drop in hunter-vehicle crossings in recent years, Mackinac Bridge officials report the volume has stabilized. Traffic should nearly equal last year's total of more than 16,000 before the season ends Nov. 30.

Auto Club reminds hunters to wear either a hat, vest or coat of blaze orange to hunt on public lands. Because of local Sunday bans, opening-day hunters will be allowed on state land only in Sanilac, Lenawee, Monroe, Hillsdale, Livingston, Branch, Huron, St. Clair and Macomb counties.

Auto Club will provide traffic bulletins via radio for traveling hunters between 3 and 11 p.m. on Friday (Nov. 13), from 8:15 a.m. to 6 p.m. Saturday and from 2:30 to 11 p.m. on Sunday.

Steve Gross from Mrs. Akers' fourth grade is a new student in our school. He comes from Sterling Heights. He says he likes our school better than the one where he used to live. He said the reason he likes this school better is because there's more things and he says the work's easier. Steve likes Mrs. Akers as a teacher better than his old one. The reason they moved was because Steve's dad has a job selling land up here. Written by Janet Petrosky, 5th grade.

Storing Apples

By Gail Edwards
Ext. Home Ec.

The late varieties of apples, such as Winesap, Yellow Newton and Northern Spy, keep the best. Jonathan, Cortland and Delicious also keep very well. For optimum storage, apples should be mature but still hard and of good quality. Do not try to store apples with injured or bruised areas. Cut these areas out and use the rest of the apple as soon as possible.

Apples breathe during storage, but you can slow the respiration process by cooling the apples rapidly after picking. The sooner this is done, the longer they will keep.

Most apple varieties keep best at temperatures between 30 and 32 degrees F and at a relative humidity of 85 to 90 percent. This is a cold, moderately moist environment. Keeping the storage atmosphere moist keeps the apples from drying out quickly. If stored under these conditions, apples will last from four to six months. Apples can be stored in the

refrigerator in a crisper drawer or in a moisture-resistant container, such as a polyethylene bag. Cut a few holes in the bag for ventilation. Apples stored in a refrigerator should be used within a few weeks for optimum quality.

Do not store whole apples in the freezer - freezing will lower their quality.

If you wish to store apples in a root cellar, wrap them individually in paper (to cut down on their oxygen intake) and then put them into cartons, boxes or barrels that can be covered and insulated with straw, hay or clean, dry leaves. If you line the containers with plastic bags, cut about a dozen 1/4 inch holes in each bag.

Apples may also be stored in hay or straw-lined pits or in buried barrels covered with straw and soil.

Whichever way you may choose to store apples, be sure to check them periodically and remove any apples that show signs of spoilage. You know what they say about that one rotten apple.

Vikings Aim for Complete Game

By Jon Thompson

The Viking girls basketball team is hoping to string together a complete game by tournament time. Against tough Michigan Huron Shores Conference teams, the Vikings seem to play well for most of the game but end up losing because of a short lapse.

"We seem to go good for two or three quarters," head coach Marilee Cheney said, "But we don't play well for the entire game."

The Vikings were behind Cheboygan last Thursday by only four points at halftime and then scored just one point in the third quarter. The Vikings then outscored Cheboygan in the fourth quarter but it was too late. They suffered their 12th defeat of the year against two wins going down to Cheboygan 53-37.

Cheney said Bendig played a superb game against Cheboygan, scoring 16 points and grabbing 8 rebounds. Jean Stevens played an excellent defensive game and scored 3 points with 9

rebounds. Joyce Stevens had 5 points, Dianne Lee 4, and Shelly Trenary 4.

Against Boyne City last week, the Vikings lost a close game at home 42-40. Dianne Lee scored 12 points, Jean Stevens had 15 rebounds and 10 points, Jenny Riker scored 4 points, Lisa LaMotte and Shelly Trenary scored 4, Joyce Stevens had 2 points along with Heidi Bendig, and Celina Eshenroder, a junior, scored two points in her first game as a Viking.

The Viking J.V. team upped their record to 12-2 following two wins over Boyne City and Cheboygan. Against Boyne City, the J.V.'s won 45-25 and coach Lacey Stephan said everyone of the Vikings played good defense. Kris Laudenslager scored 12 and had 20 rebounds. Karen Reynolds scored 8 points.

Against Cheboygan Stacey Wolcott had 8 points, Michelle Barber 7 points and 9 rebounds, Laudenslager 6 points and 13 rebounds, and Erin Jones had 9 rebounds in a 31-19 win.

New Dimensions At Day Care

Crawford AuSable Day Care Center located on Old Lake Rd has added new dimensions to their already challenging program.

Employed by the center is Ms. Deb Norton, Deb is certified in education with interest in gross motor development, music and kindergarten readiness.

Mrs. Brown who has been employed at the center for 6 months, plays and teaches the children piano. Mrs. Brown has successfully completed the child study program.

Mrs. Carol VanNuck, our program coordinator, has worked at the center for 8 months. Carol is experienced with child care, she assures that each child is given his or her daily dose of tender loving care!

Mrs. Pam Fisher is the centers director, she has her education in Psychology and social work. It is her responsibility to see that the daily programs assist children in their development by offering free choices to help

develop decision making, academics for school readiness, and positive reinforcement so that each child grows seeing themselves as a special person.

Anyone is welcome to visit the center at anytime. We are open from 7:00 a.m. to 6:00 p.m. Come and enjoy a day full of love and tender care.

Audubon Chapter To Meet Nov. 7

The next meeting of the Kirtland Audubon Chapter will be Monday, November 9, at 7:30 p.m., in Room 1, of the Academic Building at Kirtland Community College.

Our speaker for the evening will be a geologist from the Department of Natural Resources. He will have pertinent information on the disposal of brine.

All community members are invited. If you have any questions about the chapter, please call Lois Brown at 348-5768.

87th BIRTHDAY—Lida Goodrick celebrated her 87th birthday. Cheery was the evening as all her co-residents and her sister Agnes, joined in with cake, ice cream and punch. There was a lot of reminiscing of fond memories. Lida has been a resident of Grayling for 20 years, and now resides at Matson's Milltown Manor.

District Court

The following persons appeared before District Court Judge Francis L. Walsh on Tuesday, October 27:

Robie Ramsey, 20, of Grayling, was bound over to Circuit Court on a charge of retaining a credit card without consent of card holder. He was released on \$1,000 personal bond.

John Alvin Hoffman, 27, of Roscommon, was found guilty by a trial jury of D.U.I.L., second offense and was fined 30 days and \$505 or 60 days. He was placed on probation for two years and his license is suspended for 90 days except for driving to and from and during course of employment.

Robert Edward Mahaney, 49, of Grayling, plead guilty to a charge of D.U.I.L. and was fined \$305 or 30 days. He was placed on probation for one year and his license was suspended except driving to and from and during course of employment.

Mrs. Bovee's class went on a field trip to Foodland. They went to pick out some of the things for their Halloween party. They priced the food they wanted. The person who helped us find the things we wanted to price was Mr. Hartman. He even helped us with questions we had about the food. The kids were divided into about 8 groups. Some of the kids looked for fruit, veggies, meat, cheese and crackers. Then they thanked Mr. Hartman by writing letters to him. Then they wrote down the things they really wanted and added it up and they all agreed on some different kinds of foods. Written by Jim Watkins, fifth grade.

Senate Begins Work on Economic Package with Tax Legislation

Warren M. Hoyt, Executive Director, MPA

With an eye on making Michigan a better place to live and do business, the Michigan Senate has taken a first step with business and personal income tax cuts totaling as much as \$70 million.

The Senate overwhelmingly passed legislation extending for an additional two years the home heating credit for low income families and a bill exempting workers' and unemployment compensation costs from business taxes.

By removing employer costs of workers' and unemployment compensation from the tax base of the single business tax, beginning in January, the state would lose \$25-30 million in revenue in the current year and \$40-50 million in 1982-1983.

Although the concept was included as part of Governor William G. Milliken's economic development package, he now wants the provisions delayed so revenue will not be cut prior to the 1982-1983 fiscal year in hopes of an economic update by that year.

That could be done by allowing businesses to reflect the change only in year-end returns filed in 1983, rather than beginning with the quarterly payments throughout 1982.

The extension of the home heating credit - a sliding scale based on heating needs as a portion of income-will cost an estimated \$42 million, with federal reimbursement of a portion of the aid program still in doubt. Last year, the federal government paid \$29 million of the \$33 million of the program cost, but with federal budget cuts, the amount from the federal government this year should be around the \$14 million mark.

More federal aid, normally used for the program, will have to go to welfare recipients because the state will not be increasing basic grant

levels this year.

Meanwhile, the governor, pushing for economic development legislation during the fall session, has asked voters to hold their legislators accountable if Michigan's job climate is not improved by the end of the year.

In this third statewide address in a year, Milliken sought to win acceptance to his decision to drop immediate plans for property tax relief by reviewing the budget cuts made in the past fiscal year and discussing the impact of the recent \$270 million cut recently presented by the governor and adopted by the Senate and House Appropriations Committees.

"Never in all my years of public service have I seen our state in as critical a period as it is right now. It is not an exaggeration to say that how the Legislature responds to the enormous challenge now before it will do more to shape the economic future of this state than perhaps any decision ever made in Lansing," he said.

Milliken said the test of the fall legislative session will be whether the unemployed have a better chance of getting a job, whether workers have a brighter opportunity and whether students have better chances of finding jobs.

Legislative leaders continue to support the concept of economic development for the fall session, however, House Speaker Bobby Crim and Senate Majority Leader William Faust both refused a request by Milliken to form a special committee to consider all priority economic development legislation.

Both expressed concerns about "circumventing" the regular standing committee process and noted the special committee would not necessarily mean quicker action. They both pledged they would work toward getting the package through the various standing committees.

Grayling's 7th grade A team was defeated by Kalkaska on Tuesday night Oct. 20, by a score of 23-20 in double overtime. High scorers were Rebecca Jones with 6 points and Jamie Kaiser with 6 points.

Class Trip
Career Awareness
On October 16, 1981, Ms. Yates' class went to "Flowers by Josie" to interview Ernie Dawson. We found out some information about being an employee in his store. People who work in his store have to know how to count out change, run the cash register, take telephone orders, and operate the coolers. Some employees need to know how to make flower arrangements. The employees are expected to be on time, be neat and clean, and show consideration to the customers and others who work there.

Mr. Dawson is expected to show leadership, so that "Flowers by Josie" is a good place to work in. He also tries to treat his employees fairly in wages, and respects their feelings. He stated that he felt sixteen year olds could be left alone in charge of his store if they proved they could handle the job and be trustworthy.

The busiest day of the year is Mothers Day because everyone wants to remember their mother with flowers. The busiest month of the year is August because all of the tourists come in to buy souvenirs. Christmas is also very busy because people like to make their homes festive for the holidays.

"Flowers by Josie" is the first of many stores we will

be visiting so that we can become familiar with businesses in Grayling. We will also be learning employment skills such as filling out an application and going on a job interview. We hope this will help us prepare for the work force we will be entering one day.

Cancer Society Sponsors Contest

November 19 is Great American Smokeout Day which is sponsored by the American Cancer Society. It is now in its fifth consecutive year as a nationwide celebration. The 1981 goal of the Great American Smokeout is to get at least one in every five smokers to give up cigarettes from midnight to midnight on Thursday, November 19.

The Grayling chapter of the American Cancer Society is sponsoring a contest with the theme "Reasons For Not Smoking." The 4th and 5th grades at Grayling Elementary are making posters, and the 6th, 7th, and 8th grades at the Middle School are writing essays. There will be two prizes for each grade level, and winners will be announced on November 16. The prizes, "Great American Smokeout" tee-shirts, have been donated by Cornell Insurance and Cornell Realty.

Singers In Concert

The Northam Singers from Houston, Texas will appear in a concert of Sacred music Friday, November 6 at 7:00 p.m. at the Grayling Free Methodist Church.

The group was voted the "Favorite Group of 1981" at the annual awards banquet in Pasadena, Texas sponsored by the Southwestern Gospel Music Association.

Comprised of a brother and three sisters, the Northam Singers began touring on a full-time basis in January of 1979.

Several recordings have been released and will be available at the concert. The public is cordially invited to attend.

There will be no admission charge. A free-will offering will be received. Church location is 6352 M-72 West in Grayling. For further information call Pastor Larry Evoy at 348-5362 or 348-9093.

Editor's Mailbox

Oct. 30, 1981
Dear Whitey & Crawford Co. Residents,

When I read the article on the new millage election in last week's paper, I felt this was not impartial reporting but biased and rather deleted of important issues brought up by citizens.

Here are some of the subjects brought up that were deleted.

The New Alliance Group stated that they had manpower and monies for advertisement to win the election, but when asked if they would finance cost of election? The answer was No.

Were these signatures on the petitions validated by township clerks, and was this a legal petition? The answer was no, they didn't have to be.

Why were sports and extra curricular activities on the new millage request? When these were already being funded. A move was made to remove these but the New Alliance Group wanted them left in and accepted as is.

There is a shortage of books. Why not use the monies for this item rather than another election?

I also addressed the Board and reminded them that our organization was bound by resolution to work in defeating any millage until all the children of Crawford AuSable School District were guaranteed an equal and quality education.

The Board was also reminded their credibility was in question.

A letter was read to them at a prior meeting by their own yes group supporters, withdrawing their support in future millage elections.

I also told the Board in the northern part of the county their credibility on a scale from 1 to 10 was zero. Also in memberships (25 for New Alliance) we just got 56 more members last Thursday in Lovells, this they should consider before accepting the millage proposal. The board asked me to explain this and I did.

There are 4 schools, not 3 in the school system, out of \$1,195,000 generated from our old district, one measly mill was not allocated to run the Frederic School for the younger children. Using Lovells as an example at 30 students, \$15,000 in monies for each goes to the school and they have to be on overcrowded busses and classrooms.

Our members know that there is \$365,000.00 in monies over last school year from the taxpayers in increased assessments. Where did this go to? Now they only want 3.75 mills more, \$472,500.00 for a total of \$837,500.00 more.

As I told the Board they created this situation and are looking for someone else to bail them out.

Someone asked us don't you want the Frederic School opened? I said we did but not at this expense or with 4.5 teachers for six grades.

The people tell me and I relayed to the Board they don't want millage and taxes but cuts back to basic education.

It's too bad a little more investigative reporting wasn't done to find out who is the New Alliance Group. If it had been done it would be found out that they are teachers, layoff personnel and friends.

Whitey, "I like kids" but I don't use it as a copout to get what I want.

Sincerely,
Clement Sajdak, Pres.

The final score was 25 Grayling and 17 Gaylord. Leading scorer for Grayling was Kim Springer with 9 points, Lisa Spina had 8 points, Shelly Denton with 4, Julie Montgomery and Tina Meldrum each scored 2 points. Next game is home Thursday night against Mio. (10/29/81)

The 7th grade girls basketball team defeated Gaylord Monday night, Oct. 26th, at Gaylord 25-14. High scorer of the game was Michelle Moore with 16 points. The girls held Gaylord down to 14 points by making a good defensive effort.

TO THE CUSTOMERS OF
MICHIGAN CONSOLIDATED GAS COMPANY

(Published by Direction of the
Michigan Public Service Commission)

Case No. U-6372 (CPI Nov. '81)

NOTICE OF HEARING ON IMPLEMENTATION
OF OPERATION AND MAINTENANCE CONTROL BY
INDEXING SYSTEM

In its Opinion and Order dated November 6, 1979 in Case No. U-5955, this Commission established an Operation and Maintenance Expense Control By Indexing System for rate schedule customers of Michigan Consolidated Gas Company (Consolidated). That system authorizes an annual change in the portion of Consolidated's jurisdictional rates and charges attributable to certain operation and maintenance expenses, other than purchased gas and uncollectible gas accounts, in accordance with changes in the Consumer Price Index (CPI). The system was continued by this Commission in its Opinion and Order in Case No. U-6372 dated January 30, 1981.

The Commission found in its Opinion and Order in Case No. U-5955 (CPI - Nov. '80) dated January 6, 1981, that a reasonable Operation and Maintenance Control By Indexing System base amount for use in determining the 1982 surcharge should be \$154,416,000. Based upon the methodology established by the Commission in its Opinion and Order dated November 6, 1979 in Case No. U-5955, the adjustment is to be computed at the 1981 hearing as follows:

- (1) Determine the percentage change in the All Items, Wage Earners and Clerical Workers Revised, Unadjusted, National CPI between August of the year prior to the November hearing year and August of the hearing year. The 1981 hearing will determine the percent change in the CPI between August 1980 and August 1981.
- (2) Calculate the allowable change in "other O & M" expense by multiplying the base amount of \$154,416,000 by the percentage change in the All Items National CPI as determined in Step (1). The base amount plus the allowable change will be the new base amount for the next hearing, not the actual other O & M expense which Consolidated may have. For the purpose of major rate cases, the base amount plus the total allowable changes will become a new base amount and be included as such in the rates.
- (3) Calculate the allowable change per Mcf by dividing the allowable change determined in Step (2) by the 12 months' total jurisdictional gas sales of 437,528,996 Mcf as determined in Case No. U-6372. The total jurisdictional gas sales as determined in the latest rate case should be used in subsequent indexing hearings until a new figure is set in a new major rate case.
- (4) The amount per Ccf or therm should be applied to customers' bills for total jurisdictional gas sales starting with the January billing month following the November hearing.

Based upon that methodology, Consolidated's commodity charges would be increased pursuant to the Operation and Maintenance Control By Indexing System by .376¢ per Ccf, or .370¢ per therm, beginning in January 1982. The annual bill for a typical residential heating customer using 175 Mcf would increase by about \$6.58 as a result of the proposed surcharge (an

annual revenue increase to Consolidated of approximately \$16,646,000).

Consolidated proposes that the amount of the adjustment be calculated in the manner specified above with two exceptions. First, Consolidated proposes that the O & M base amount be set at \$157,725,000, which would include an increase of \$3,309,000 in the base amount to reflect the costs of a proposed monthly meter reading program requested by Consolidated in its pending rate case, Case No. U-6839. Second, Consolidated proposes to use the gas sales volume of 384,426,296 Mcf sponsored by it for interim purposes in Case No. U-6839. If these two exceptions are applied, Consolidated requests that its commodity charges pursuant to the Operation and Maintenance Control By Indexing System be increased by .442¢ per Ccf, or .435¢ per therm, beginning in January 1982. The annual bill for a typical residential heating customer using 175 Mcf would increase by about \$7.74 as a result of the proposed surcharge (an annual revenue increase to Consolidated of approximately \$17,003,000).

NOTICE IS HEREBY GIVEN that:

A. A public hearing in this matter will be held at 9:30 a.m. on November 23, 1981, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of determining the percent increase in the CPI between August 1980 and August 1981 and the corresponding surcharge to be applied to all customers' bills. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before November 18, 1981, an original and 12 copies of a petition to intervene, together with proof of service upon Consolidated.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

Jurisdiction is pursuant to 1901 A 300, as amended, MCLA 462.2 et seq.; Section 4 of 1919 PA 419, as amended, MCLA 460.54; Sections 4, 6, 6a and 6b of 1939 PA 3, as amended, MCLA 460.4, 460.6, 460.6a and 460.6b; Section 3 of 1923 PA 238, as amended, MCLA 486.253; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

Junior Pro Basketball

With football season coming to a close, the Grayling Junior Pro Basketball League is firing up its plans for another season.

Registrations will be held on Saturday, Nov. 14 and again on Saturday, Nov. 21 from 10 a.m. to 1 p.m., at the Grayling Elementary School. All boys and girls in grades 3, 4, 5, and 6 are invited to participate in this year's program. Over 100 players took part in last year's league which taught each individual the fundamental skills of the game as well as team competition.

A coaches meeting will be held Friday, November 13 at 7 p.m. at the M.A.T.E.S. building near the airport. Anyone wishing to help coach a team, referee the games or otherwise support the league should attend the meeting.

CARD OF THANKS

I wish to express my appreciation for the wonderful surprise party and gifts to my friends, children and grandchildren. Thank you very much.

Library News

Received from Crawford County Library, three very good books: "The Legacy" by Fast (this is the fourth book in his series starting with "The Immigrants"), "Remembrance" by Steel, the author of the very popular "Palomino", and "Love Play" by Rogers.

The Frederic Hobby Club has donated Better Homes & Gardens "Homemade Bread Cook Book" and "Treasury of Christmas Crafts and Foods".

We have for the children, Walt Disney's "The Black Hole" and for the Handyman or woman, "Basic Plumbing."

Some new general fiction books are: "A Pirate's Love" by Lindsey, "Now God be Thanked" by Masters, "The Books of Rachel" by Gross, "Homeward Winds the River" by Johnson, "The Four Winds of Heaven" by High, "White Columns" by VanHazinga and "Wheel of Fortune" by Longstreet.

I've also put on the shelves several mysteries and science fiction novels for your reading pleasure.

Glen's Tapes are still needed for programs, books and building fund.

Library Hours are 9 to 5 Monday through Friday.

Vikings Whip St. Ignace 27-0

By Jon Thompson

Grayling used a good run-
 ning game and three big
 plays to shut out St. Ignace
 27-0 before a delighted
 Parent's Night crowd last
 Friday.

The first big play was a 55-
 yard scoring burst by half-
 back Jim Hill. Hill popped
 through the middle of a over-
 shifted Saints' defense and
 sprinted to the goal line to
 put the Vikings ahead 6-0.

Terry Norman and Dan
 Lucksted combined for a 25-
 yard scoring pass for the
 next big play. Ted Methner
 threw to Ryan Morford for
 the extra points to put Gray-
 ling up 15-0 at half.

The third big scoring play
 was a 41-yard run by
 Methner in the third period.
 Methner added the final
 touchdown on a two-yard run
 and he finished the night
 with 113 yards on 10 carries.

Hill gained 61 yards on
 only two carries and the
 Vikings gained 307 yards on
 the ground for the night.

"We've been looking for a
 real good rushing game like
 that all season," head coach
 Bill Klinger said.

Klinger said the key to the
 game was the offense ran 49
 plays to St. Ignace's 33 plays
 and kept the Viking defense
 off the field. In too many of
 this year's games the defense
 was on the field too long
 Klinger said.

The Vikings defense
 played well when it was on
 the field causing three fumb-
 les and intercepting three
 passes. The Norman
 brothers picked off all three
 interceptions with Jerry
 hauling in two and Terry
 grabbing one. Wayne Metz-
 zer came up with one of the fumb-
 les.

Brad Trenary led the
 defense with 10 tackles,
 Jamie Radebaugh and Joel
 Money had 9, Shawn Lindsay
 had 8, and Dan Lucksted and
 Jeff Kea had 7. Jim Hill,
 Dave and Bill Martella,
 Brad Emerick, Jack Money,
 Terry Norman, Wayne Metz-
 zer, and Roger Weatherly
 also contributed to the
 Viking's second shutout of
 the year.

Grayling lifted its record
 to 2-6 and faces Rogers City
 in the last game of the year.

Klinger credited the
 Viking's offensive line for
 good blocking which helped
 spring Grayling runners
 loose for more than 300 yad-
 ds. He said Roger
 Weatherly, Shawn Lindsay,
 Wayne Metzzer, Jack Money,
 Paul Brackenbury, Joel
 Money, Jamie Radebaugh,
 and Don Bancroft made the
 running game go with their
 blocks.

The Grayling J.V. squad
 beat St. Ignace 34-12 at the
 Saint's field last Thursday.
 The J.V. squad now has a
 season record of 6-2.

Lovells Home Extension

The Lovells Home Extension
 Group met at the
 Lovells Township Hall on
 Wed., Oct. 14th. with 18
 members and 3 guests present:
 Home Economist, Gale
 Edwards, Marian Kellogg,
 Vi Wingeier.

Hostess, Olive Kellogg and
 co-hostess, Kathryn Jones
 served a tasty luncheon.

The meeting was opened
 by chairman, Betty
 McGowan. Roll call was Tips
 To Save Steps.

Following the business
 meeting, various chairmen
 gave their reports, Safety-
 Leona Nichols stated that
 botulism could grow in Zuc-
 chini Pineapple after 3 mon-
 ths. It should be used as soon
 as made. Do not store. If a
 pressurized fire extinguisher
 is in home, the pressure
 gauge should be checked
 monthly.

Health - Margaret Cava-
 naugh passed out pamphlets
 around entitled "More than
 you ever thought you would
 know about Food Ad-
 ditives".

Citizenship - Ruth Caid
 listed some ways for saving
 energy: Close off unused
 rooms to save heat. Turn
 thermostat down at night.
 Put full load of clothes in
 dryer. Fix leaky faucets as
 one drop of water per second
 equals 700 gallon per year.
 Glass baking dishes require
 less heat.

Family Life - Jane Com-
 mons, Make own mixes such
 as cocoa and Bisquick. It
 saves money and is more

nutritious.

International - Mildred
 Johnson said 12,000.00
 dollars was turned over to
 Pennies For Friendship last
 year. This organization
 helps to promote good will
 and friendship among
 women of various countries.

COUNTY BOARD OF COMMISSIONERS
County of Crawford

RESOLUTION APPROVING AN AGRICULTURAL AND FORESTRY PROJECT PLAN AS SUBMITTED BY THE ECONOMIC DEVELOPMENT CORPORATION OF THE COUNTY OF CRAWFORD

Minutes of a Regular meeting of the County Board of Commissioners, County of Crawford, Michigan, (the "Board"), held in said County on September 24, 1981, at 2:00 o'clock p.m., Eastern Standard Time.

Present: Members Bidvia, Harland, Kitchen, Mattis, Miller, Neilson, and Nowak.

Absent: Members None

The following preamble and resolution were offered by Member Harland and supported by Member Nowak:

WHEREAS, there exists in the County of Crawford, Michigan (the "County") the need to promote economic activity in the agricultural and forestry sectors by providing incentives to combat inflation, to reduce energy consumption, to encourage the development of facilities designed to produce energy from renewable resources, to retain the family farm unit, to reduce the rate at which urban sprawl has been devouring productive farm lands, and to provide farmers and foresters with a more favorable export market; all this to be accomplished by reducing costs of production; and

WHEREAS, a program to accomplish said purposes has been initiated by The Economic Development Corporation of the County of Crawford (the "Corporation"); and

WHEREAS, the Corporation in conformity with Act. No. 338 Public Acts of Michigan, 1974, as amended ("Act No. 338"), has submitted information concerning a project and has prepared and submitted a project plan providing all information and requirements necessary for said project; and

WHEREAS, in conformity with Act. No. 338 this Board of Commissioners has conducted a public hearing on said project plan; and

NOW, THEREFORE, BE IT RESOLVED:

1. The project plan, as submitted and approved by the Corporation, meets those requirements set forth in Section 8 of Act No. 338.

2. The persons who will be active in the management of the project for not less than one year after approval of the project plan have sufficient ability and experience to manage the project properly.

3. The proposed methods of financing the project as outlined in the project plan are feasible and the Corporation has the ability to arrange or cause to be arranged, the financing.

4. The project as submitted is reasonable and necessary to carry out the purposes of Act. No. 338.

5. Based upon the information submitted and information obtained at the public hearing, the project plan as submitted and the project to which it relates, serves to promote economic activity in the agricultural or forestry sectors and, therefore, constitutes an essential, vital and necessary public purpose.

6. It is hereby determined that the requirements of Section 20 of Act No. 338 have been met and that the formation of a project citizens district council is not required.

7. The implementation of the project plan including issuance of Bonds as provided therein will not require that any further hearings be held and will not require any further approval by this Board, except when it is necessary to designate a revised Project Area for any individual transaction not comprising machinery, furnishings or equipment pursuant to the requirements of Section 8(1) of Act. No. 338.

8. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

(7) Ayes: Members Bidvia, Harland, Kitchen, Mattis, Miller, Neilson, and Nowak.

(0) Nays: Members None.

Resolution declared adopted.

Grayling Township Board

Regular Meeting — October 13, 1981

Members present: Bernard Fowler, Elizabeth Wieland, Evelyn Gardiner, Jacqueline Bonkowski.

Members Absent: Marvin Hallett.

Others present: Dave Latusek, Tim Jung, Craig Collen, Mami Stillwagon, Mary Jo Bonkowski, Karen Williams, Craig Jones, Geo. E. Baldwin, Dan Akilo, Floyd Millikin, Bob Chappel, Brenda Petrosky, Shelly Petersen, Barb Sojka, George Granger, Dick Saelens.

Meeting was called to order at 7:30 p.m. by Supervisor Fowler who welcomed the Government class students, briefly explained the format of the meeting, and the difference between a required roll call vote and a voice vote. Motion by Bonkowski, supported by Gardiner, the minutes of the Regular Meeting of September 8, 1981, and the minutes of the Special Meetings of September 30, 1981, and October 6, 1981, be approved as written. All ayes.

Treasurers report was given. Motion by Wieland, supported by Bonkowski, it be accepted. All ayes.

1. Notice of a public hearing scheduled by the Public Service Commission for Consumers Power Company was received relative to authorization to reflect charges or credits for changes in expense items in monthly billings.

2. Notice of bi-monthly hearings scheduled by the Public Service Commission for Top O Michigan Rural Electric Company was received relative to authorization to reflect charges or credits for changes in expense items in monthly or seasonal billings.

3. Notice of a request filed with the Department of Natural Resources for a permit to fill existing ponds on property located in Sec. 8, T26N, R3W, was received.

4. Lake Margrethe Property Owners Association's newsletter, Ripples, was received highlighting a \$500.00 donation made to the Grayling Recreation Authority and possible relocation of an overhead streetlight from Grayling Avenue and the Suncatcher to Grayling Avenue and M-93 intersection.

5. The Crawford County Sheriff Department Activities report for the month of August was received, reviewed, and placed on file.

6. Announcements of an educational program entitled Development Control - Issues in Planning and Zoning and a Workshop for New Clerks sponsored by the Michigan Townships Association were received.

7. George E. Baldwin, President of Grayling Cable Services, Inc., met to explain proposed cable expansion plans and the need for a rate adjustment to accomplish such plans. It has been two years since the last rate increase. The Township is still receiving requests for further service of cable TV. The increase requested appears to be within today's inflationary rate. Motion by Bonkowski, supported by Gardiner, to authorize a rate increase of 10% for 1982, 6% for 1983, and another 6% for 1984 as requested. Roll Call: Bonkowski - aye, Gardiner - aye, Wieland - aye, Fowler - aye, Hallett - absent. Motion carried.

8. Fowler gave a resume of the Special Meeting held on 10-6-81 at the High School Auditorium on the Salling Lake Dam Inspection Report. Engineer George Granger distributed his memorandum of the presentation and discussion of the meeting and reviewed the procedures of P.A. 146 of 1961, the Inland Lake Level Act, whereby a legal normal water level and special assessment district are established through circuit court to provide funding to maintain said water level. Costs were the major concern of the property owners present at the special meeting. Mr. Granger prepared some rough estimates of the costs that might be incurred if P.A. 146 is pursued. The basic construction costs to repair the existing dam were estimated at \$3,400.00, however, the hydrological water study, engineering, court, and related costs were estimated at \$18,000.00, providing no leveling device is required. Mr. Granger pointed out that procedure followed under this Act is filed with the County Board of Commissioners. They would decide the funding method which might include the special assessment be spread over a 10-year period. Costs averaged over a 10-year period for the properties involved would be \$35.00 per year, however, frontage plus acreage are usually considered. Fowler stated he has discussed this project with the Military for possible assistance. The dam must come under public ownership before any consideration is made. Before pursuing the petition procedure under this Act, Bonkowski moved to call a special meeting on 10-20-81 at 7:30 p.m. and notify all property owners abutting the water from Pollak Bridge to the Dam to review these estimated costs. Motion supported by Wieland. All ayes.

9. Michigan Townships Association's, Capitol Countdown, was received indicating Revenue Sharing Funds are in danger. Fowler inquired if Grayling Township would consider being named in a suit with other governmental units and their related organizations to prevent the Governor by Executive Order from delaying payment of revenue sharing to local units. Motion by Bonkowski, supported by Wieland, to allow Grayling Township to be named in said suit. Roll Call: Bonkowski - aye, Gardiner - aye, Wieland - aye, Fowler - aye, Hallett - absent. Motion carried.

10. Fowler gave a break down of millage certified to be spread for 1981. County - allocated 6.50, debt (unknown), transportation - .75, commission on aging - .50, Township - allocated 1.00, COOR - allocated .30, special education - .75, Kirtland - debt .50, special voted operation 1.00. Crawford AuSable - allocated 7.20, debt 3.00, special voted operation 17.90.

11. Correspondence was received from the Department of Natural Resources, Resource Recovery Division, relative to a recent amendment to the Solid Waste Management Act of the flexibility of bonding facilities.

12. Correspondence from the Department of Natural Resources, Forest Management Division, was received indicating an application to list private forest land in Sec. 22, T26N, R2W, under the Commercial Forest Act had been filed. Fowler indicated the township would receive about 30 cents per acre under this act. The Act requires the land be open to the public for hunting. Fowler has informed the Department that the property is presently fenced and posted. Concern for loss in property valuation and tax base was shown.

13. Fowler informed the Board that an informal request for fire protection for the Weyerhaeuser Company on Four Mile Road in Beaver Creek Township was received. Fowler and City Manager Morford met with Beaver Creek Township Board to discuss this request. Fire protection service should be requested by Beaver Creek Township taking into consideration the cost to Grayling Township and City residents through their taxes and the possibility of entering into a mutual aid agreement with Lyons Township which presently provides fire protection to Beaver Creek. Fowler will continue negotiations on this matter.

14. Fowler informed the Board that legal counsel is still attempting to obtain corrected blueprints from a contractor relative to a building code violation being pursued in court.

15. Compensation Commission appointments were reviewed. Motion by Wieland, supported by Gardiner, to approve the re-appointment of H.E. Swayze for a five-year term. All ayes.

16. Planning Commission appointments were also reviewed. An application was received from Garland Joyce and a recommendation of re-appointment of Mary Harland and Frances Hanson was received from the Planning Commission. Motion by Gardiner, supported by Bonkowski, to accept the Planning Commission's recommendation and re-appoint Mary Harland and Frances Hanson to the three-year terms. All ayes. A recommendation was also received to authorize Planning Commission members to attend the education program scheduled by the Michigan Townships Association on Development Control - Issues in Planning and Zoning on November 3rd in Boyne Falls. Motion by Bonkowski, supported by Gardiner, to authorize Planning Commissioners to attend said program and approve the registration fee of \$20.00 each. Roll Call: Gardiner - aye, Wieland - aye, Fowler - aye, Bonkowski - aye, Hallett - absent. Motion carried.

The Planning Commission felt sufficient information was not received to make a recommendation to the Township Board on the request received to construct a bridge over the East Branch of the AuSable River in Sec. 32, T27N, R3W. The Board requested the permit be withheld as it does not comply with the requirements of the Native Protection Strip under the Zoning Ordinance.

The petition filed with the County Road Commission to vacate a 12-foot alley within Hanson & Insley Replat was also reviewed and a recommendation made to approve said vacation. Motion by Bonkowski, supported by Gardiner, to accept the recommendation and support the vacation of the 12-foot alley as requested in the petition to the Road Commission. All ayes.

17. The Assessing Department Report was received, reviewed, and placed on file. Open building permits are being checked, lake front values have been adjusted, and a resume of the Marshall and Swift seminar were highlighted.

18. The Building Inspection and Ordinance Enforcement Report was also received, reviewed, and placed on file. Several inspections on both construction and mechanical permits were noted.

19. The petition received in June from property owners and residents of the east end of the Township requesting fire protection and a barn located in the Township was reviewed. Since the petition did not specify exactly what was being requested in the way of fire protection, a letter and questionnaire will be drafted and sent to said petition signers to obtain further information and suggestions for financial support of said request.

20. Fowler received correspondence from Northeast

Michigan Community Service Agency, Inc., Transportation Coordinator, thanking him for attending the Transportation Survival Package Meeting in Grayling which included a synopsis of the bills referred to in the transportation survival package summarizing a change in the fuel tax rate, the vehicle registration rate, transit system allocations, and sales tax distribution to transit systems.

21. The road construction project in the Brink's Park Subdivision area is underway. A few minor problems have been resolved on corners and near alleys.

22. Fowler also reported he had received a telephone call from one of the Department of Natural Resources' Lansing Office relative to the channel change of the AuSable River near Beaver Island Subdivision. The issue is still being investigated.

23. The property in Section 34, T27N, R2W, that was being used as a dump site has been bulldozed clean and trail roads to it have been blocked off by Camp Grayling.

24. The zoning violation whereby two homes were placed on one residential lot, on M-72 East has been resolved.

25. An extension of time was granted by the court on another violation being pursued through legal counsel on Staley Lake Road.

26. A call was received from Representative Ralph Ostling's office indicating an amendment to P.A. 192 of 1976, had been drafted and submitted to the Appropriations Committee relative to County involvement in the Grayling Recreation Authority under HB 4992.

27. A quarterly fiscal year report was distributed. Comparison with the budget will be made at the next regular meeting.

28. The cash on hand in the Township Improvement Revolving Fund was reviewed. Motion by Wieland, supported by Bonkowski, to transfer \$3505.64 from the Township Improvement Revolving Fund to the General Fund. All ayes.

29. Dick Saelens of Burnham & Flower Agency, Inc. met to again review the Michigan Townships Association Township insurance package with umbrella liability prepared for the Township. The package includes comprehensive general liability, umbrella liability coverage, worker compensation and employer's liability, fire coverage, valuable papers and records, and inland marine policies. Upon comparing present premiums and the additional coverage offered in the MTA Township, Bonkowski moved to purchase the insurance policy through Burnham and Flower Agency, Inc. for an annual premium of \$5639.00. Motion supported by Gardiner. Roll call: Bonkowski - aye, Gardiner - aye, Wieland - aye, Fowler - aye, Hallett - absent. Motion carried. A study of insurance coverage for the fire department was discussed. Fowler was instructed to obtain copies of said policies from the city for review.

30. The outstanding gas bill for the Grayling Recreation Authority was discussed. The Board felt if the Authority could not resolve the bill by the end of the month, a special meeting could be called to consider any assistance.

Motion by Bonkowski, supported by Gardiner, the bills as presented on vouchers 5205 through 5235 in the amount of \$17,654.11 be approved for payment. Roll Call: Bonkowski - aye, Gardiner - aye, Wieland - aye, Fowler - aye, Hallett - absent. Motion carried. Motion by Bonkowski, supported by Wieland, to approve payment of the Staley Lake Road project in the amount of \$1,912.29 as funds become available. Roll Call: Bonkowski - aye, Gardiner - aye, Wieland - aye, Fowler - aye, Hallett - absent. Motion carried. Motion by Wieland, supported by Bonkowski, meeting be adjourned. (10:40 p.m.) All ayes. Elizabeth H. Wieland Township Clerk

Road Commission Minutes

September 25, 1981

A regular meeting of the Crawford County Road Commission was held in their office in Grayling, Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John M. Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of August 28, 1981 were read. Commissioner Kraus made a motion to accept the minutes with corrections, seconded by Chairman Cason. All voted in favor, minutes approved.

Payroll Voucher Number 20 in the amount of \$20,684.18 was presented to the Board for approval. Commissioner Parker made a motion to accept the voucher for payment, seconded by Chairman Cason. All voted in favor, motion carried, voucher signed.

A ballot was received from the County Road Association of Michigan to change the Constitution and Bylaws of the County Road Association of Michigan. The Board discussed the issue and then voted affirmative.

Two permits were received and presented to the Board for signatures. Michigan Consolidated Gas Company to install a steel gas main along Four Mile Road in Beaver Creek Township, and General Telephone Company to bury cable along Five Mile Road in Beaver Creek Township. The permits were reviewed and approved and signed by the Board.

Bill Hamilton and Bob Miller appeared before the Board to discuss the tentative plat map of White Pine Estates on Manistee River Road. The Board will inspect the area and make a decision at a later date.

The Board discussed the different types of lining available that must be installed around the brine well tank dikes. Engineer-Manager Keir is to research for various substances that could be installed.

A request was received to sell one of the TD 18 dozers. The Road Commission will place it on bids if not considered an asset.

The Board reviewed a letter and resolution from the Red Arrow Trail Property Owners Association requesting acceptance of "Red Arrow Trail" into the County Road system. The road will be inspected before any decision is rendered.

King Road north of Four Mile Road was discussed. Some construction work would be necessary to provide year-round maintenance. Engineer-Manager Keir was instructed to inform those interested parties.

Andie Neilson, Chairman of Roads and Bridges appeared before the Board regarding the north end of Billman Road and problems with dust and water washing onto the road. He was assured that the matter will be checked out.

The Board reviewed the 1980 budget. Commissioner Kraus made the motion that \$8,000 be transferred from line item account "Other Contracts" to account "Capital Outlay", seconded by Commissioner Parker. All voted in favor, motion carried.

The Board instructed Engineer-Manager Keir to consult with our accountant about a possible transfer of monies from primary road funds to local road accounts. Mr. Keir is also to arrange an appointment with the Self Insurance Workman's Compensation Program to meet with the Board.

Discussion was held on the needed repair of the roof of the maintenance garage. Engineer-Manager Keir is to gather more information on various sealants from other companies.

Frederic Township Supervisor, Harold Mertes, would like the Road Commission to do some construction on various roads in Frederic. The Board will participate as soon as possible.

There was a motion made by Commissioner Parker and seconded by Commissioner Kraus to have a closed door session. All voted in favor, doors closed.

When the doors were opened and being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

October 2, 1981

The Commissioners and Engineer Manager Keir took a trip

The Commissioners and Engineer-Manager Keir took a trip of inspection over several roads in the County that have been discussed recently.

The roads reviewed were Pine Road south of North Down River Road, Dam Four Road west of Lovells Road, Contour Drive, Red Arrow Trail, King Road north of Four Mile Road, and Manistee River Road in the area of White Pine Estates.

Upon returning to their office, it was decided to obtain "winter" sand from Jack Millikin, Inc.

There being no further business, a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

Grover Cason, Chairman
Joanne Turner, Acting Secretary

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

From my office window I see the evidence of an advancing change in the weather pattern. The tops of four maples are visible, each distinctive in color. For ten years they have followed the same pattern of color change: two are a yellowish-orange, one is more red than any other color, and the last is yellow. It is always fascinating to watch the patterns in nature. The trees are showing their colors each in turn and the same colors each year. The birds are gathering in flocks preparing for the move south. One day the yard is full of robins or blackbirds and the next day, as if a silent signal to us were heard, they are gone.

All through the summer the chipmunks and red squirrels have been active in the Tall Timber. Since the weather has cooled off, the chipmunks have become increasingly inactive. Throughout the summer months, they have been collecting and storing all matter of plant materials for times of shortage. While chipmunks can be destructive around a flower or vegetable garden, they are a source of much entertainment for the people visiting the Park. Chipmunks are true hibernators, meaning that they exhibit adaptive hypothermia. Their body temperature decreases to close to the surrounding temperatures, which greatly reduces respiration, heart rates, and oxygen consumption. As a result of these physiological changes, the animal appears to be asleep or in a state of torpor. Warmer midwinter temperatures will sometimes bring them above ground for a brief period before they return to their winter sleeping quarters.

Teacher: What becomes of boys who use bad language when they play marbles? Sammy: I guess they grow up and play golf.

Mr. Morford requested City Council to consider the City Water billing policy for either revision or adoption as currently in effect as of this date.

CITY OF GRAYLING -- WATER BILLING POLICY

1. That a minimum bill for 12,000 gallons (\$18.00) be sent to and collected from each water customer who has the water turned on for any portion of a billing period but who uses 12,000 gallons or less or if a reading is not possible.

2. That no charge be made for any quarter in which the water is off for the entire period. (No ready to serve charge).

3. That no charge be made for turning off or turning on water if done at customer request.

4. That bills are mailed on the 10th day of January, April, July, and October. The bill is payable until the 10th of the following month. On the due date a 5 day final notice will be mailed and a \$4.75 service charge added. Service will be interrupted at the end of the 5 day period if bills are not paid. If service is interrupted, an additional \$4.75 fee will be due before service is restored.

5. That residential sewer only customers be billed a minimum of 12,000 gallons water and sewer (\$18.00) for each quarter during which the dwelling is occupied for any portion of the quarter.

Waiting to hear

Life without a mailbox would be lonely indeed. Everybody wants to hear from someone.

Why is communication so essential to man's well-being? Because we feel that life is incomplete without the fulfillment that comes to us from other lives.

And yet a wide circle of friends can also leave gaps in our lives. And so we pray. For we require divine guidance as often as we need human support. Just as we need to renew the ties of family and friends, so always we need to be in touch with the God who is Father of us all.

Would you like to hear from God? Before you even realized it — God was waiting to hear from you! Prayer is that simple . . . that universal.

Budworms Chewing Up Jack Pine In Co.

By Jon Thompson

Up to 10,000 acres of jack pine in Crawford County were chewed on last summer by the jack pine budworm - the worst infestation of the bug in state forestry management history.

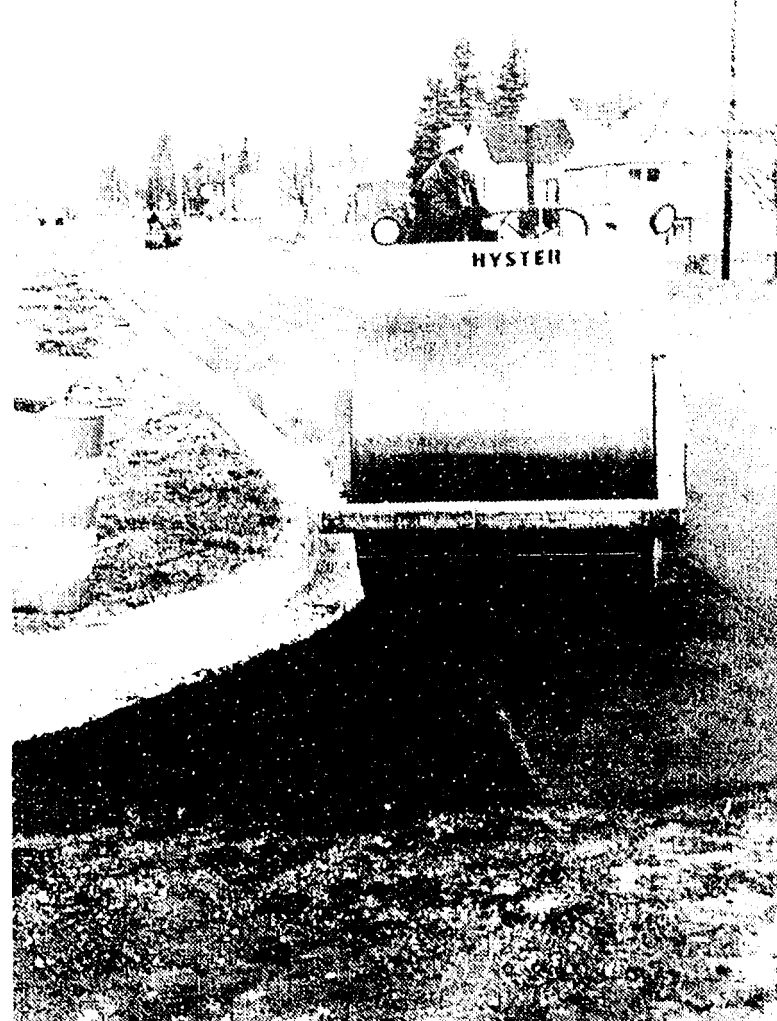

Jim McMillan, DNR forester at the Grayling field office, said an mortality rate of 40 to 50 percent is expected for trees on about 2,000 acres in the worst hit areas of Pere Cheney in the southeast part of the county and Lovells Township in the northeast corner.

"We'll try to harvest the trees within one or two years in the hardest hit areas," McMillan said. "Stands where the mortality rate is lower we'll have to live with and let go because we can't harvest all the trees at once."

The jack pine budworm (Choristoneura pinus Freeman) can defoliate a tree and kill it. The bug eats new growth and, in large numbers, will eat old needles on the tree. Crawford County is among 15 northern counties with the bug problem. Ogemaw County is the hardest hit county.

The budworm population appears to grow decline in 12-15 year cycles. McMillan said two years ago the county had a mild problem with the bug, last summer it was heavy, and this year they're hoping the peak of the growth cycle is over. He said weather and other factors affect the population. Drought conditions tend to favor the budworm.

The DNR will attempt to step up sales of the infested jack pine but are limited by the market for pulpwood. Approximately 237,000 acres of state land and 160,000 acres of privately-owned land has been hit hard by the bug.

BLACKTOPPING NEARLY FINISHED—With good weather helping, road crews have completed most of the blacktopping on ten Grayling city streets. Above, a steamroller smooths blacktop at the corner of Peninsular and Ingham.

Collecting Canned Food

The Grayling Pathfinder Club, sponsored by the Seventh-Day Adventist Church, will be out collecting canned goods Wed. & Thurs., Nov. 4 & 5 from 6:00 p.m. to 8:30 p.m.

Every year, before Thanksgiving the children go door to door asking for donations of canned & packaged goods. Then the food is attractively boxed & distributed to needy families in the area.

Even if all you can give is one can of soup, it's one can that may help someone less fortunate than you. Thank you & God Bless You!

If you'd like more information please call Kathy Piehl at 348-2255.

Andrus Named To Head EMTA

Grayling-Raymond Andrus, 57, of Oscoda, has been elected 1982 Chairman of the East Michigan Tourist Association.

EMTA members, assembled at Grayling's Holiday Inn for their 71st annual convention, elected Andrus, a resort motel operator, along with four vice chair persons. They include Dale Huggler of Alpena; Vic Lutz of AuGres; Robert Waters of Lansing and James Walker of Port Austin.

Andrus has operated the Redwood Motor Lodge in Oscoda for nine years. He served as president of the Oscoda-Ausable Chamber of Commerce for four years and has been instrumental in the development of Oscoda's Paul Bunyan Festival and Lake Huron's King Salmon Derby and in the development and promotion of snowmobile and cross country ski trails. His service also includes a leadership role in the Huron Shores Tourism Alliance, a multi-community tourism promotion group. He has served on the EMTA board of directors for seven years, chairing several committees.

Huggler is an Alpena Oil Company operator and is chairman of the Alpena Board of Commissioners. Lutz operates a motel, restaurant and bakery at AuGres. Robert Waters is president of LaNoble Business Brokers, a statewide realty firm headquartered in Lansing. Walker is owner/operator of the Castaways Resort Motel on Lake Huron at Port Austin and has been president of the Huron County Tourist and Resort Association.

Members also re-elected Walter I. Foss, III, of Bay City as Treasurer.
